

<b>Asset Type</b>	<b>Resource Title</b>	<b>Resource Description</b>	<b>URL</b>
Lessons	Multicultural Book List	<p>Looking for the perfect book to accompany an elementary lesson on different cultures? Homa Tavangar and Becky Mladic-Morales have provided this list of over 300 books (organized by subject area and grade range) from their book, <i>The Global Education Toolkit for Elementary Learners</i>.</p>	<a href="http://corwin-connect.com/wp-content/uploads/2016/03/Global-Ed-Toolkit_Multicultural-Book-List.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Global-Ed-Toolkit_Multicultural-Book-List.pdf</a>
Lessons	Project Library	<p>One of the hardest parts of designing project-based learning is finding ideas for grade- and subject-appropriate projects. In this resource from <i>Thinking Through Project-Based Learning</i>, Suzie Boss and Jane Krauss have listed over 75 project ideas—complete with guiding questions and grade ranges—to help you get started.</p>	<a href="http://corwin-connect.com/wp-content/uploads/2016/03/Thinking-Through-PBL_Resource-Library.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Thinking-Through-PBL_Resource-Library.pdf</a>
Student Tools	How Are You Intelligent? Checklist	<p>Students and teachers can use the “How Are You Intelligent?” Checklist from Gayle Gregory’s <i>Differentiated Instructional Strategies</i> (3rd ed.) to increase personal awareness around</p>	<a href="http://corwin-connect.com/wp-content/uploads/2016/03/Differentiated-Instructional-Strategies-3e_How-Are-You-Intelligent.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Differentiated-Instructional-Strategies-3e_How-Are-You-Intelligent.pdf</a>

		their areas of strength.	
Student Tools	Comparing 2 Things Flow Chart	Help students learn how to compare and contrast two things, ideas, concepts, or procedures with this handy flow chart from <i>Differentiated Instructional Strategies</i> (3rd ed.) by Gayle Gregory.	<a href="http://corwin-connect.com/wp-content/uploads/2016/03/Differentiated-Instructional-Strategies-3e_Comparing-Flow-Chart.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Differentiated-Instructional-Strategies-3e_Comparing-Flow-Chart.pdf</a>
Student Tools	Formative Tracking Sheet	At the end of each lesson, students should use the Formative Tracking Sheet from Kristen Swanson and Hadley Ferguson's <i>Unleashing Student Superpowers</i> to self-assess their progress. Have students mark their progress in one color, and then provide your own assessment and notes in a separate color. Seeing where their self-assessments align with yours will help students understand their learning—and you will soon find that they become quickly attuned to their own progress! This sheet can be adapted to fit your specific lesson.	<a href="http://corwin-connect.com/wp-content/uploads/2016/03/Unleashing-Student-Superpowers_Formative-Tracking-Sheet.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Unleashing-Student-Superpowers_Formative-Tracking-Sheet.pdf</a>

Student Tools	Global Citizen Passport Template	<p>Use this Global Citizen Passport from Homa Tavangar and Becky Mladic-Morales's <i>The Global Education Toolkit for Elementary Learners</i> as an interactive keepsake for your next global activity. Print out the internal pages as many times as you need for recording stamps or icons for each country you "visit."</p>	<p><a href="http://corwin-connect.com/wp-content/uploads/2016/03/Global-Ed-Toolkit_Global-Citizen-Passport.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Global-Ed-Toolkit_Global-Citizen-Passport.pdf</a></p>
Student Tools	Innovation Day Plan Sheet	<p>Hosting an "Innovation Day" in your classroom is a great way to give students choice and allow them to pursue projects they are passionate about. This Innovation Day Plan Sheet from Josh Stumpenhorst's <i>The New Teacher Revolution</i> will help your students plan meaningful projects to enhance learning.</p>	<p><a href="http://corwin-connect.com/wp-content/uploads/2016/03/The-New-Teacher-Revolution_Innovation-Day.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/The-New-Teacher-Revolution_Innovation-Day.pdf</a></p>
Student Tools	Student Reflection Tool	<p>Students should always be reflecting on their learning journeys. In this simple tool from <i>Empowered Schools, Empowered Students</i>, Pernille Ripp invites students to answer critical questions about what they've learned.</p>	<p><a href="http://www.corwin.com/connectededucators/files/Student_Reflection.pdf">http://www.corwin.com/connectededucators/files/Student_Reflection.pdf</a></p>

Student Tools	Project Contract	<p>The project contract, introduced by Todd Stanley in <i>Creating Life-Long Learners</i>, is a handy reference for students throughout long-term projects. Students fill out the contract before beginning a project so that there is agreement on what the goals of the project are and what the students' responsibilities are.</p>	<p><a href="http://corwin-connect.com/wp-content/uploads/2016/03/Creating-Life-Long-Learners_Project-Contract.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Creating-Life-Long-Learners_Project-Contract.pdf</a></p>
Student Tools	App Evaluation Sheet	<p>There are over one million apps available for iOS devices. Some of them are amazing. Some are OK. Some are awful. How to evaluate, choose, plan, and teach with an app can be challenging. One of the things we encourage teachers to do is to have their students evaluate apps for them, with this handy App Evaluation Sheet from <i>Teaching the Last Backpack Generation</i> by Zachary Walker, Don McMahon, and Kara Rosenblatt.</p>	<p><a href="http://live-sagecompanion.gotpantheon.com/sites/default/files/App%20Evaluation%20Sheet.pdf">http://live-sagecompanion.gotpantheon.com/sites/default/files/App%20Evaluation%20Sheet.pdf</a></p>

Teacher Tools	The Six-Step Planning Model for Differentiated Learning: Template	<p>The planning model in Gayle Gregory's <i>Differentiated Instructional Strategies</i> (3rd ed.) helps teachers make decisions about differentiated instruction and assessment through a six-step process.</p>	<p><a href="http://corwin-connect.com/wp-content/uploads/2016/03/Differentiated-Instructional-Strategies-3e_6-Step-Planning-Template.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Differentiated-Instructional-Strategies-3e_6-Step-Planning-Template.pdf</a></p>
Teacher Tools	Reflecting on My PLN	<p>Your Personal Learning Network is made up of your colleagues and resources in your community—both in-person and online. These people help you grow in your practice. Use this tool from <i>The Novice Advantage</i> to think through your PLN, and how you can make it even better.</p>	<p><a href="http://corwin-connect.com/wp-content/uploads/2016/03/The-Novice-Advantage_My-PLN.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/The-Novice-Advantage_My-PLN.pdf</a></p>
Teacher Tools	Tools for Screencasting	<p>Screencasting is a very effective instructional tool that can be used for creating tutorials that describe any step-by-step process. The following tools highlighted in Sam Gliksman's book, <i>Creating Media for Learning</i>, help teachers make quality instructional videos.</p>	<p><a href="http://corwin-connect.com/wp-content/uploads/2016/03/Creating-Media-for-Learning_Screencasting.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Creating-Media-for-Learning_Screencasting.pdf</a></p>

Teacher Tools	Tools and Apps for eBook Creation	<p>Written essays and reports have always been common ways for students to showcase what they know. But converting those essays and reports into e-books allows for personalized expression, interaction with the reader, collaboration, and easier sharing with a broad audience.</p> <p>In his book <i>Creating Media for Learning</i>, Sam Gliksman highlights four easy e-book tools for teachers and students.</p>	<p><a href="http://corwin-connect.com/wp-content/uploads/2016/03/Creating-Media-for-Learning_E-book-Creation.pdf">http://corwin-connect.com/wp-content/uploads/2016/03/Creating-Media-for-Learning_E-book-Creation.pdf</a></p>
Teacher Tools	The ACES Framework for Scannable Technology Integration	<p>Are you using QR Codes, Augmented Reality, and other scannable technology in your classroom? The ACES Framework will help you ensure that your students are gaining maximum learning from these tools. Download the handy graphic from Monica Burn's book, <i>Deeper Learning Through QR Codes and Augmented Reality</i>.</p>	<p><a href="https://simplyscannables.files.wordpress.com/2016/01/aces-framework-infographic-1024x512.png">https://simplyscannables.files.wordpress.com/2016/01/aces-framework-infographic-1024x512.png</a></p>

Websites	Untangling the Web Videos	<p>Learn how to use over 20 useful online apps and tools for curation, creation, presentation, social networking, and more! Steve Dembo and Adam Bellow, authors of <i>Untangling the Web</i>, have created these video tutorials to help teachers in the classroom.</p>	<p><a href="https://resources.corwin.com/untanglingtheweb">https://resources.corwin.com/untanglingtheweb</a></p>
Websites	Unleashing Student Superpowers Pinterest Board	<p>All students need to develop their talents in unique ways. No two students will have the same combination of powers or strategies. This Pinterest Board for <i>Unleashing Student Superpowers</i> shares resources for the six student superpowers: Wondering, Curating, Connecting, Digital Inking, Designing, and Gaming.</p>	<p><a href="https://www.pinterest.com/ssuperpowers/">https://www.pinterest.com/ssuperpowers/</a></p>
