Motivation and Culturally Responsive Teaching Margery B. Ginsberg

Most experts agree that student motivation and engagement are critical components of teaching and learning. Yet both are vulnerable to distraction. Effective instructional planning is also motivational planning!

This must-have resource helps teachers leverage students' natural curiosity and academic potential, featuring:

- Over 50 strategies to enhance students' emotional safety, value for learning, engagement, and competence
- A field-tested and research-validated model to make instructional planning also motivational planning
- Abundant tools, templates, and protocols to strengthen student motivation and learning
- A clear rationale for intrinsic motivation, especially in culturally diverse classrooms
- Essential information for teaching linguistically diverse students and students who have been historically underserved
